

If you are looking to give you and your family the peace of mind that pre-arranging and pre-paying your funeral can provide, we can also help and advise you with all arrangements necessary.

Put simply, you have the option and flexibility of:

- pre-arranging
- pre-arranging and paying regular installments
- pre-arranging and paying in full

Bearing in mind, that when full payment is made the price is fixed for all services paid for - until you require our services.

You also have the peace of mind that your funds are your funds, and are completely refundable at anytime that you should request them.
